## **MEDIA ADVISORY: ART EXHIBIT REFLECTS ON TEN YEARS OF WAR**

Charleston, WV---“Windows and Mirrors,” a traveling art exhibit marking 10 years of War in Afghanistan, will be featured during Charleston’s Downtown Art Walk on Thursday, Dec. 15 at Good News Mountaineer Garage, 221 Hale Street from 5:00 to 8:00 p.m.

The exhibit was developed by the American Friends Service Committee, a Quaker organization devoted to social justice, nonviolence and humanitarian service. It features the paintings of artists from around the US as well as posters made by Afghan youth. Local sponsors of the exhibit include West Virginia Patriots for Peace,

Seneca 2, the American Civil Liberties Union of West Virginia, and the AFSC WV Economic Justice Project.

“Windows and Mirrors” is intended to provide an opportunity for reflection on the human and economic costs of the war in Afghanistan for veterans of that conflict and their families, Afghan civilians, and the public at large--and to encourage a renewed commitment to diplomacy, reconciliation, development and reconstruction in Afghanistan, at home, and around the world.

The exhibit will travel for different viewings to several locations around the state. Check our web page for additional venues – [wvpatriotsforpeace.org](http://wvpatriotsforpeace.org)
